

Technical drawing of a roof truss system, showing plates (P1 through P8) and dimensions. The drawing is oriented vertically, with the roof structure at the top and the supporting walls at the bottom.

Dimensions:

- Overall width: 150 (top left corner).
- Horizontal dimensions (top): 1870, 2800, 2800, 2800, 1870.
- Vertical dimensions (left side): 1700, 2800, 2800, 1700.
- Vertical dimensions (right side): 600, 700, 700, 700, 700, 700, 700, 700, 700, 700, 600.

Structural Details:

- Plates:** Labeled P1 through P8, representing different structural members.
- Truss Structure:** Shows a central vertical truss with diagonal bracing.
- Supports:** Indicated by circular symbols at the bottom corners, representing wall supports.
- Connections:** Detailed with bolts and gusset plates.
